Critical Thinking Assignment 6: Practice Tests

This documentation is part of the Critical Thinking 6 Assignment from IT415: Principles of Cybersecurity at Colorado State University Global.

The Assignment Direction:

Click “Practice Tests” in uCertify. Then click either the “A” button or the “B” button. You can take either version.

Take a screenshot that shows the current date and time of the completion page and also the score.

Note that your grading will be based on the score of the practice exam. You can take multiple practice exams and upload your best score.

Upload the image with your score to Canvas.
