Critical Thinking Assignment 3: uCertify Lab from Lesson 5

This documentation is part of the Critical Thinking 3 Assignment from IT415: Principles of Cybersecurity at Colorado State University Global.

The Assignment Direction:

uCertify Labs from Lesson 5

Log into uCertify. Click **Labs**, find these three labs from lesson 5 and complete the tasks within each lab.

- 5.3.1 Tracing Route using Tracert
- 5.3.2 Intercepting Packets
- 5.3.3 Configuring VLANs

After completing the task, click Submit >> Evaluate >> Record my answer to record your answer.

Take a screenshot that shows the current date and time of the completion page and upload the image to Canvas.

Example Screenshot:

Screenshots

Figure 1

5.3.1 Tracing Route using Tracert

The screenshot displays a web browser window titled "uCertify Access" with a tab for "Lab 10, Lab". The address bar shows the URL: `seu-csuglobal.ucertify.com/app/?func=navigate_items&item_se...`. The page header includes the "CSU GLOBAL" logo, the course identifier "25SD-ITS415-1", and the course title "COURSE - Systems Security Certified Practitioner (SSCP) Training". A user profile icon labeled "School" is visible in the top right corner.

The main content area shows a remote desktop view of a Windows 10 desktop. The desktop background is the standard Windows 10 blue logo wallpaper. On the left side, there is a vertical "ITEM LIST" containing icons for "This PC", "Upload My Work", "Recycle Bin", "Windows 10.rdp", "AnyDesk", "Google Chrome", "NVDA", "TeamViewer", "Wireshark", and "Hyper-V Manager". A blue button labeled "Send text & keystrokes" is positioned above the desktop view.

On the right side of the interface, a notification box titled "Tracing Route Using Tracert" is displayed. It contains a green checkmark and the text "✓ Correct". Below this, a timestamp "Monday, June 23, 2025 19:54:39" is shown, followed by the message "✓ Router interface is displayed. (By Alexander Ricciardi)". At the bottom of the notification box are two buttons: "Recorded" and "Cancel".

The bottom of the screen features a dark taskbar with a "WIN16" tab. To the right of the taskbar, there is a navigation bar with a clock icon showing "19:04", a "PREVIOUS" button, a progress indicator "10 of 25", a "NEXT" button, a "SUBMIT" button, a "SETTINGS" button, and a "CLOSE" button. The bottom right corner of the screen shows the system time "6:55 PM" and the date "6/23/2025".

Figure 2

5.3.2 Intercepting Packets

The screenshot displays a web-based lab environment titled "uCertify Access" with a tab for "Lab 11, Lab". The browser address bar shows the URL: `seu-csuglobal.ucertify.com/app/?func=navigate_items&item_se...`. The page header includes the "CSU GLOBAL" logo, the course identifier "25SD-ITS415-1", and the course description "COURSE - Systems Security Certified Practitioner (SSCP) Training". A user profile icon is visible with a diamond icon and the number "13", along with a language dropdown set to "English" and a "MY LIBRARY" button.

The main content area shows a Windows 10 desktop environment. A blue button labeled "Send text & keystrokes" is positioned at the top of the desktop. The desktop background is the standard Windows 10 blue logo wallpaper. On the left side, there is a vertical "ITEM LIST" containing icons for "This PC", "Upload My Work", "Recycle Bin", "Windows 10.rdp", "AnyDesk", "Google Chrome", "NVDA", "TeamViewer", "Wireshark", and "Hyper-V Manager".

On the right side of the interface, a panel titled "Intercepting Packets" displays a notification. The notification includes a green checkmark and the text "Correct". Below this, it shows a timestamp "Monday, June 23, 2025 20:04:15" and a message "Task is completed successfully. (By Alexander Ricciardi)". At the bottom of the notification, there are two buttons: "Recorded" and "Cancel".

The bottom of the screen features a taskbar with a "WIN16" window title, a clock showing "13:33", and navigation buttons: "PREVIOUS", "11 of 25", "NEXT", "SUBMIT", "SETTINGS", and "CLOSE". The system tray on the right shows the time "7:04 PM" and the date "6/23/2025".
